

## Reseller Locator

- Free web advertising
- Free customer referrals
- A way for customers around the world to find your business

**Would you like to be added to the reseller locator page of our website?**

On this page end-users are able to look up certified Tri-Technical Systems Software Resellers in their area. To be part of the locator page you must be a member of the Tri-Technical Systems Reseller Membership Plan and be able to offer customers support on the software. In exchange for being on the Reseller Locator page, we would appreciate a link to Tri-Technical Systems software from your website. (For Tri-Tech logos & software images to use on your website, please check: <http://www.technology4retailers.com/t-tritechlogos.aspx>.)

**Would you like your dealership listed on the Reseller Locator page? Yes \_\_\_ No \_\_\_**
